

THREATENED PLANTS TASMANIA

THEMEDA GRASSLANDS PROJECT

WORKING BEE

WHERE: Township Lagoon Nature Reserve, Tunbridge

WHEN: Saturday 22 November 2008, starting at 10:00am

The Township Lagoon Nature Reserve is home to 16 listed species. At this working bee we aim to survey 3 of these species, *Leucochrysum albicans*, *Stackhousia subterranea*, *Prasophyllum tunbridgense*, and get rid of some of the woody weeds on the site.

Stackhousia subterranea

Prasophyllum tunbridgense

Leucochrysum albicans

Morning and afternoon teas will be provided and transport is available.

If you would like to participate please email threatenedplantstas@gmail.com or phone Alison on 03 62253558 (a/h) and let us know if you need transport, maps or have any questions.
