

Wildcare Inc Membership Renewal for 2010 - Reminder

Dear 2009 WILDCARE Inc member,

All 2009 Wildcare Inc memberships expired on 31 December 2009. This includes all memberships purchased prior to 1 September 2009*, regardless of whether the membership was purchased independently or with a Parks and Wildlife Service All Parks Annual or Two Year Pass.

If your Wildcare Inc Membership Number (on the Wildcare Membership Card) starts with a '9' then it's time to renew now. Your membership card also has an expiry date on it so check to see if it expires on December 31 2009 or 2010.

To make renewal easy we have included a **Quick Renewal Form** below. Simply complete this form and return it to us at the address provided. Alternatively, you can go online to our website at www.wildcaredtas.org.au and pay by credit card. If you haven't previously logged on to the members section of the website use your email address as a 'user name' and your current 2009 membership number as 'password'.

If you purchased your membership in 2009 using the All Parks Pass Form, prior to September 1st, you will need to renew your membership for 2010. When it is time to renew your All Parks Pass later in the year simply quote the Wildcare membership number to receive a \$25 discount. So keep your membership card safe until that time.

2009 – Another Great Year for Wildcare Inc

2009 has been another successful and very busy year for Wildcare Inc. We've welcomed five new branches, bringing the total number of WILDCARE groups to 60. Thousands of members now volunteer in the field on hundreds of projects, big and small, across Tasmania. Once again we have contributed around 100,000 hours of volunteer time in Tasmania's parks and reserves this year.

Our Community Action in Reserves (CAREs) groups have had fantastic success with grant applications, receiving \$341,129.67 in 27 separate grants. At the same time our Wildcare Gift Fund has received \$137,361 in donations and authorised the spending of \$151,359 on projects across Tasmania.

In partnership with Parks and Wildlife Service we have trained a group of voluntary educators who have begun the trial for the Wildsc'ool program in North West Tasmania, and we have trained and established Whale Rescue First Response Teams in all areas of the State.

So, we had a great 2009 but are looking forward to an even better 2010. Please make sure you're part of our continuing success story by renewing for 2010 today.

Yours sincerely,

Will Forsyth Andrew Smith
Elected Co-Chair Appointed Co-Chair
